Are there any locations (e.g. roads, open spaces) in your area that you feel would benefit from being cleansed more often than now?

1. 
2. 
3. 
4. 
5. 

Are there any locations (e.g. roads, open spaces) in your area that you feel could be cleansed less often than now so that resources can be targeted elsewhere?

1. 
2. 
3. 
4. 
5. 

Does your council/group have resources to make any financial contribution towards the level of cleansing in your area?

- Yes
- No
- Possibly
If you answered 'yes' or 'possibly' would your council/group be willing to consider making a financial contribution towards any of the following options? Please tick all that apply.

- Street sweeping
- Litter picking
- Litter bin emptying
- Resort cleaning
- Toilet cleaning
- Dedicated street cleaning staff
- Other

*If 'other' please specify:*

---

Please give further details on how you could help:

---

Are you aware of any ongoing problems with litter or fly-tipping near to the following types of facilities or businesses in your area? (Tick all that apply)

<table>

Please give details of specific locations (Mini recycling centres (bring banks)):

Please give details of specific locations (Schools):

How much do you agree that businesses should do more to deal with litter associated with them, for example cleaning up their frontage before closing?

- [ ] Strongly agree
- [ ] Agree
- [ ] Neither agree nor disagree
- [ ] Disagree
- [ ] Strongly disagree
Litter and dog waste bins

Does the council/group support the policy of removing litter bins from rural areas and lay-bys and replacing them with signs asking people to take their litter home?

- Yes
- No
- Don't know

Are there any specific locations where you feel existing litter bins should not be removed? Please give as exact locations as possible.

1. 
2. 
3. 
4. 
5. 

Are there any locations where you feel existing litter bins create a problem and should be removed? Please give as exact locations as possible.

1. 
2. 
3. 
4. 
5. 

Are there any locations where you feel litter bins should be emptied more frequently? Please give as exact locations as possible.

1. 
2. 
3. 
4. 
5. 

If relevant to your area and subject to costs, would the council/group be willing to consider making a financial contribution towards any of the following options for wheeled litter bins? Please refer to the consultation summary for examples and tick any that may apply.

- Anchor point for wheeled bins
- External bin housing- black
- External bin housing- bespoke colour scheme
- Compactor bins
Is your organisation responsible for the following types of location within your area? Please tick all that apply.

- [ ] Parks and open spaces
- [ ] Playgrounds
- [ ] Recreation grounds
- [ ] Pedestrianised shopping areas
- [ ] Car parks
- [ ] Other

If 'other' please specify:

Should landowners be responsible for providing and servicing bins on private land? (Such as those mentioned in the previous question)

- [ ] Yes
- [ ] No
- [ ] Don't know

Does the council/group support the policy of gradually removing dog waste bins and using signage to advise dog-walkers to place dog waste in litter bins?

- [ ] Yes
- [ ] No
- [ ] Don't know

Any other comments?

Are there any locations where you feel dog waste bins create a problem and should be removed? Please give as exact locations as possible.

1. 
2. 
3. 
4. 
5. 

Are there any locations where new general litter bins would be needed for dog waste, either currently or when existing dog waste bins are removed?

1. 
2. 
3. 
4. 
5. 
Community Champions

Would your council/group like to nominate a member to act as a community champion for recycling and tackling litter?

- Yes
- No
- Would like more information

If you answered 'yes', please provide their details:

Name

Telephone

Email

Thank you for completing the questionnaire.

We appreciate you taking the time to have your say on street cleaning and litter bins in your area. We will use your comments and suggestions to help shape and refine the new street cleaning and litter policies, particularly in response to any local issues or priorities highlighted. We will contact groups individually to discuss options further.
